

Cub Scout Pack 667

Family Volunteer Commitment Form (2008 - 2009)

Dear Pack 667 Family:

Cub Scouting is for parents, as well as boys. We have a fine group of families who have offered to help according to their abilities. We ask you to add your talents and interests so that we can develop the best possible program for your boy and his Scouting friends.

Cub Scouts is an all-volunteer organization that is run by the parents in the pack. In order to keep the pack operating, one parent of each scout must sign up for at least:

- One (1) pack leadership position
- or -
- One (1) den leadership position
- or -
- Two (2) activity leadership positions
- or -
- Four (4) activity helper positions

A description of each of these positions can be found at the pack's web site - www.pack667.org . Click on 'documents' and then select 'Leader Qualifications and Responsibilities.'

Please indicate your preferred way(s) of helping out. Each is fun and allows you to participate in planning what activities you and your son are the most interested in.

At its next meeting, the pack committee will review this form and determine volunteer assignments. Please note, if multiple people volunteer for a commitment that you have selected, the pack committee may contact you to determine other ways that you can provide assistance to the pack.
